Re: Philip Fei v. WestLB AG
Docket No. 07 cv 8785 (HB)

Dear Judge Baer:

I write as counsel to Plaintiff to inform the Court that with respect to any allegations in the Complaint which are being attacked by Defendant's motion to dismiss, Plaintiff intends to rely on the original Complaint. However, Defendant has also answered and asserted counterclaims. The fact that these counterclaims have been brought force Plaintiff to consider amending the complaint to add a cause of action for retaliation.

I apologize that this letter did not issue on Monday, due to holiday closure of this office, and regret any inconvenience caused by the delay.

Respectfully submitted,

Jack A. Raisner
